BE A PART OF THE COMMUNITY INFO FAIR

The 19th annual Under the Volcano Festival of Art and Social Change is fast approaching.

If this is your first year setting up a table at the festival, prepare yourself for a fantastic day where you will be surrounded by 100+ community groups. You can expect to hear dozens of mind-blowing performers and you can sit in on some inspiring workshops featuring local and global activists and organizers. Hundreds of people will walk past your table making this one of the best outreach opportunities of the year. For more information about the festival and this year's line-up please visit our website: <http://volcano.resist.ca>

To reserve your table:

- To reserve your table, please fill out the form below and send it to us with your payment of \$25 by August 4th via mail. If you are selling wares (i.e. books) at your table, the fee will be \$50. The mailing address is included on the form.
- There is a separate area for crafters and artisans and the registration for the artisan fair is different. Please contact utvartisans@gmail.com if you are an artisan and want to participate in the artisan's area.

Important Info Fair Information:

- Set-up for the Info Fair is between 10:00-11:00am. Please don't show up early as we will not be ready for you. Tables are first come/first served to choose your spot. We close the Info Fair at 7:00pm. You can close down your table anytime before this, as needed.
- If you drive to the park, please unload your car immediately and, when possible, move your car to a further parking spot to make parking available for crew, artists, families, people with limited mobility.
- When you arrive at the Info Fair, please approach the UTV Info Fair Table to sign in, pick up your wristbands and pay outstanding fees, if applicable.
- If you plan to hang up banners behind your table, please be gentle with the trees and plant life and make sure you take with you anything you brought in (or tied up).

19th Annual Under the Volcano Festival

Sunday, August 9th 2009

- Your help with clean-up of the area is most appreciated. Tables and chairs can be stacked at the end of the day and your help with garbage pick-up helps us immensely.
- Due to Health Board regulations, no food or drink can be sold in the Info Fair.
- You will be given 4 wristbands for your volunteers at the beginning of the day. Please pick these up from the Info Fair check-in table (located near the workshop tent) and arrange to get these to your volunteers. Gate staff will be working with the assumption that all volunteers will have wristbands. Any volunteers over this number will be required to pay at the gate when they arrive.
- During the festival, please do not try to leaflet people away from your table. The Info Fair cannot accommodate aggressive outreach and we ask that you respect your fellow activists.
- There are community-based food vendors on-site all day

Please remember, we have no paid staff. We will do our best to confirm receipt of your registration. Receipts for your payment can be picked up on the day of the festival. Confirmation via email is the best way for us to get back to you so please be sure to include an email address with your registration.

We hope you have a great day at the festival. Thanks for your ongoing participation and support!

Please visit our website for directions, workshop descriptions, performers, and answers to FAQs. <http://volcano.resist.ca>
